

The Association of Black Psychologists

43rd Annual International Convention

&

7th ABPsi International Congress on Licensure, Certification and Proficiency
in Black Psychology

*"Akoben: Bridging for the Future Through Collaboration and Community
Building"*

The Association of Black Psychologists
Invites You to Participate in the 1st Annual

General Assembly Professional Development Workshop Series

July 26–July 31, 2011

The GA Professional Development Workshop Series provides essential training opportunities and critical information for advancing personal and professional development as a mental health provider and Black/African psychologist. All workshops are open to conference attendees and are free with conference registration!

The GA Professional Development Workshop Series cover three main areas:
(1) Financial Planning, (2) Business Management and (3) Self-care.

Workshops Offered:

Small Business Accounting
Personal Brand Management
Online Presence for Small Businesses
Student Loan Repayment Options
The Licensure Process
Financial Planning
Navigating the Tenure Process
Organizational & Self Care Strategies
And many more!

For more information

Contact Dr. Le Ondra Clark, GA Chairperson at: ga@abpsi.org.
